"CHILDREN ARE LIKE FLOWERS IN THE GARDEN OF LIFE."

DEAR STUDENTS, STAFF, AND PARENTS.

Children bring a lot of joy and happiness to their families and communities. Their presence makes the environment more vibrant and lively. Though different from each other they all invoke a sense of hope and faith. So let us all come together protect, nurture and appreciate both the children and flowers for their unique beauty, fragrance and joy that they bring to the world.

WARM REGARDS,

**MS. VANAJA

PRINCIPAL'S MESSAGE

There are many types of flowers which we see in our environment. The beautiful fragrances and flowers enhance the beauty of our planet earth. In the same way a child is also like a flower, pure and sweet whose fragrance spreads across. Just like a flower which requires care and attention to thrive even a child needs compassion and love to grow into healthy individuals.

"Balvatika Celebrated Halloween in a Spooktacular Way!."

Avis news bites@AVIS: On 9th November 2024 Akshara Vaagdevi International School celebrated Halloween The Halloween celebration was fang-tastic for our young monsters, and we couldn't have hoped for a more boo-tiful, fun-filled day! . Our creative trick-or-treaters began the day with a spooky costume parade, showcasing their incredible ensembles. The inventiveness was abundant, ranging from cute pumpkins and amiable witches to brave pirates and enchanted fairies. We even noticed some superheroes and tiny vampires. Seeing our kindergarteners embrace the Halloween spirit was very delightful. We got together for a special Halloween-themed movie after the parade

As the children watched their favourite creepy characters and listened to a light-hearted, festive story, laughter erupted around the room. The celebrations were concluded with some spooky songs of Halloween.

“Children's Day Celebration”

Avis news bites@AVIS: On 14th November 2024 Akshara Vaagdevi International School celebrated the joy, creativity, and spirit of our wonderful students on Children's Day. The event was a perfect blend of fun, learning, and reflection. The day started with dances and a heartfelt speech by Master Akshat. His words truly captured the essence of Children's Day – a day for both celebration and reflection.

Our teachers surprised everyone with an energetic dance performance, spreading happiness and showing how much they value and cherish our students. Their performance reminded us that learning and fun go hand in hand. And a special skit was performed highlighting the significant changes in our lives before and after the introduction of mobile devices. From the days when books and playgrounds were our main source of joy, to the digital age where screens have become a part of our daily routine, the skit beautifully depicted the transformation of school life over the years.

"World Kindness Day"

Avis news bites@AVIS: On 23rd November 2024, Balvatika students came together to spread kindness and positivity in honor of *World Kindness Day*!

To make the day more memorable for the tiny tot learners in Kindergarten, a heartwarming kindness-themed movie was shown to them., where they learned the importance of being kind to one another. It was a day full of smiles, hugs, and thoughtful gestures.

Our amazing students worked hard to prepare beautiful thank you cards for their family members, auto drivers, friends, teachers, and non-teaching staff to show appreciation for all the little and big things they do every day. They also got creative by adding smiley face stickers and stars to make each card even more special.

The day ended with the motto ,Let’s continue to spread kindness everywhere we go – not just today, but every day.

"kips Mathematics work shop"

Avis news bites@AVIS: On 29 November .the KIPS Mathematics Workshop held a workshop at the Taj Hotel, led by resource person Ms.Shilpi Agrawal, and was attended by Ms.Priyanka Ma'am and Mr.Ritesh Thakur of Math department.

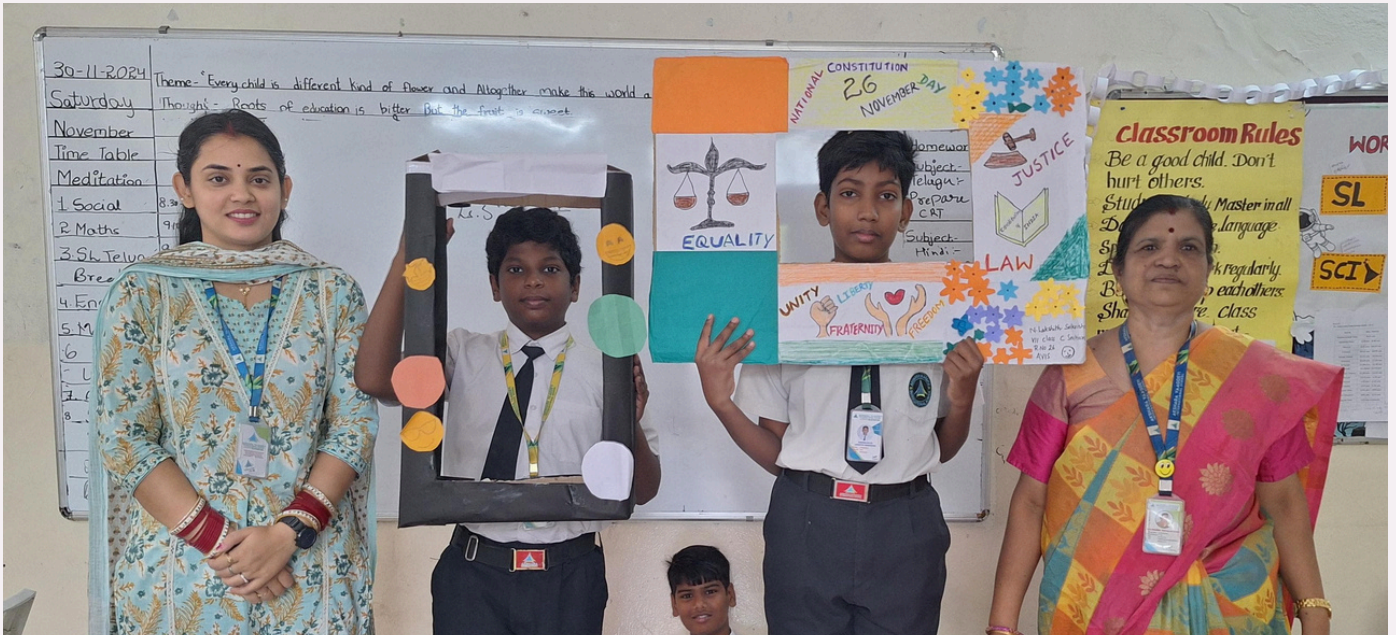

The workshop emphasized enhancing problem-solving skills by employing mathematical models, recognizing assumptions, and understanding the limitations of these models. Participants gained insights into bridging mathematical concepts with real-life contexts, fostering independent strategies for numerical operations in daily scenarios. Additionally, the session encouraged the use of examples and geometrical visualizations to effectively communicate complex ideas. This interactive workshop will inspire educators to help students develop a deeper connection between mathematical thinking and practical applications, promoting creative and analytical learning.

"Constitution day"

Avis news bites@AVIS: As per CBSE Circular No: Acad-99/2024, on 26th November, Akshara Vaagdevi came together to celebrate Constitution Day , Theme –A Tribute to our Democracy (Samvidhan Divas), an occasion that holds immense significance in the heart of every Indian. This day marks the adoption of the Constitution of India in 1949, a remarkable document that laid the foundation for our democratic republic and upheld the values of justice, equality, and liberty. It was crafted by the Constituent Assembly, under the visionary leadership of Dr. B.R. Ambedkar, whose tireless efforts ensured that our Constitution remains a living testament to the ideals of freedom, democracy, and inclusive growth.

The students of Grade V, VI and VII enthusiastically participated in making selfie booths and took photos to make the Constitution day more relatable to all.it created an awareness among the students of the shared vision that binds us as a nation – the vision of equality, justice, and the fundamental rights of every individual as we step into the 75th year of the Constitution’s adoption,

"fun-filled No Bag Days for our Kindergarten students*!"

Avis news bites@AVIS: On 23rd and 30th November, we had a break in our usual routine and had great fun with some *fun-filled No Bag Days for our Kindergarten students*! ✨

Our tiny tots had a marvelous time playing hurdle races, mastering the zig-zag run , and an old game of snakes and ladders

What a wonderful opportunity for our young learners to participate in physical activities, boost their teamwork skills, and had a fun-filled day without the burden of their school bags!

Thanks to all our teachers and students for making these days so special!
